Misconduct Investigation and Reporting Highlights

It is the intent of Rolling Hills Rehab Center to protect its residents/clients from incidents of abuse, neglect and misappropriation of property.

Must also reassign any staff member involved or to put said staff member on leave until Administrator/DON, social Worker can investigate the incident.

THE INCIDENT MUST BE REPORTED TO A SUPERVISOR IMMEDIATELY; WHETHER IT IS THE DON, ADMINISTRATOR, SOCIAL WORKER, OR NURSE SUPERVISOR

IF IT IS REPORTED TO THE NURSE SUPERVISOR, THE SUPERVISOR MUST NOTIFY ADMINISTRATOR, SOCIAL SERVICES OR DON RIGHT AWAY.

IF STAFF NEED ASSISTANCE DURING ANY INCIDENT THEY SHOULD PAGE 7032 AND ASK FOR MANPOWER STAT OR NURSE STAT TO THAT AREA/UNIT.

Reportable incidents include any form of physical/sexual abuse, neglect or misappropriation of property.
