

## Ongoing Volunteer Training:

### HIPAA Privacy Act

HIPAA refers to Health Insurance Portability and Accountability Act, which became law in 1996. This was created to protect the privacy of all healthcare information for each individual.

Some residents prefer to keep their names confidential. Rolling Hills does have a Privacy Officer, who is Debbie Hayes.

Any complaints regarding confidentiality of a resident's protected health information is channeled through the Administrator, Social Services and/or the Director of Nursing. For your role as a volunteer, you have access to the following information: identification of resident by name, unit and room number. Any additional information overheard or seen while volunteering **must** be kept confidential.

Please see full policy located at the Volunteer Board. Thank You.

## Biscuits and Gravy Casserole

- I (10 ounce) can refrigerated biscuit dough
- I (1 pound) bulk pork sausage
- I 1/2 cups shredded cheddar cheese
- 6 eggs
- I/2 cup milk
- Salt and pepper to taste
- I 1/2 cups cold water, or more as needed
- I (1/5 ounce) package pork gravy mix

Preheat oven to 350. Grease 9x13 baking dish.

Line bottom of baking dish with biscuits.

Heat a large skillet over medium-high heat. Cook and stir sausage in the hot skillet until browned and crumbly, 5 to 7 minutes. Drain and discard grease. Scatter sausage over biscuit layer and top with I cup cheese.

Whisk eggs, milk, salt and pepper together in a bowl and pour over cheese layer.

Mix water and gravy mix together in a saucepan. Bring to a boil. Reduce heat and simmer until gravy is thickened—I to 2 minutes, adding more water for a thinner gravy. Pour gravy over egg layer. Sprinkle remaining I/2 cup cheese over top.

Bake until egg is fluffy and cheese is bubbling, about 30 minutes.
