## Misconduct Investigation and Reporting Highlights

It is the intent of Rolling Hills Rehab Center to protect its residents/clients from incidents of abuse, neglect and misappropriation of property. If any staff member sees/hears of a complaint or concern that involves caregiver misconduct – THIS INCLUDES ANY REPORTING FROM ANOTHER STAFF MEMBER, RESIDENT OR RESIDENT FAMILY – YOU DON'T NEED TO WITNESS IT TO REPORT IT! ACTION MUST BE TAKEN IMMEDIATELY TO PROTECT THE RESIDENT! The nurse on duty must be sure the resident is safe and to determine how to keep the resident safe. Must also reassign any staff member involved or to put said staff member on leave until Administrator/DON, social Worker can investigate the incident. THE INCIDENT MUST BE REPORTED TO A SUPERVISOR IMMEDIATELY; WHETHER IT IS THE DON, ADMINISTRATOR, SOCIAL WORKER, OR NURSE SUPERVISOR. IF IT IS REPORTED TO THE NURSE SUPERVISOR, THE SUPERVISOR MUST NOTIFY ADMINISTRATOR, SOCIAL SERVICES OR DON RIGHT AWAY. IF STAFF NEED ASSISTANCE DURING ANY INCIDENT THEY SHOULD PAGE 7032 AND ASK FOR MANPOWER STAT OR NURSE STAT TO THAT AREA/UNIT. Reportable incidents include any form of physical/sexual abuse, neglect or misappropriation of property.

Rolling Hills - May 2021

Hello Volunteers!

If you are fully vaccinated (2 weeks post second shot), and are interested in getting in some volunteer hours, please contact me so I can start a list of individuals who are interested. This is subject to change frequently due to our administration direction and county number of cases.

I hope you all are doing well.

In Europe, it wasn't a good May if you didn't celebrate it with a maypole. They were present in the UK since at least 1350 AD.

No other month in a single year starts or ends on the same weekday as May.

May's birthstone is the emerald, and symbolizes fertility and rebirth. May's birth flowers are the Lily-of-the-Valley and the Hawthorn. Lily-of-the-Valley represents the return of happiness and sweetness, and the Hawthorn is a symbol of hope.

## Recipe Corner

### Italian Veggie Pasta Salad

8 oz of your favorite pasta (I like to use bowtie pasta)

Your favorite veggies—I like to use broccoli, cauliflower, cherry tomatoes, cucumbers, and onion. You may also add black olives and mini pepperonis if you like.

Your favorite Italian salad dressing

Cook pasta according to package directions. Drain, and run cold water over noodles. Place in a big serving bowl. Cut up your veggies. You may add as many or as few veggies as you would like. Add them to the noodles.

Pour salad dressing over top. Mix. Add more dressing as needed, as the noodles will absorb the salad dressing.

Keep refrigerated.
