

Ongoing Volunteer Training:

Fire Policy

In the event of a fire or similar disaster in this facility, protection of residents, personnel, and visitors is of utmost importance. Fires in a healthcare facility do happen and we must guard against them constantly.

R – Rescue – remove resident(s) who are in imminent danger, close door to isolate fire

A – Activate – find nearest fire alarm box and pull handle all the way down, alert Maple Lane nurse

C – Contain – confine the fire by closing all doors and windows in the fire area after the resident is out

E – Evacuate/Extinguish – extinguish the fire if small enough, evacuate all individuals beyond fire/smoke area.

Operating a Fire Extinguisher: Remember **PASS**:

P – Pull the pin, **A** – Aim at the base of the fire, **S** – Squeeze the handle, **S** – Sweep

Fire Location and Employee Action: Search rooms/evacuate residents to area behind one fire door. Mark all cleared rooms with evacuation sign. Leave a staff person with all evacuated residents to keep them safe and calm. Bring fire extinguishers to the scene and use to try to control the fire if possible. Do not use elevators; emergency calls/pages only. In the event of a fire, Maple Lane nurse will page “Dr. Red” and location of fire.

As a volunteer, it is your job to stay with the resident(s) and follow any directions given to you by staff.

Rolling Hills - August 2022

Updates on our move!

Tuesday August 9 is our open house. Residents will be touring the new facility in the morning. It will be open to the public from 3:30 to 7 that evening. We are in need of volunteers this day from 8:15 to 12:00 (noon). You would receive a tour first, then help push residents through the halls of the new facility.

Tuesday August 23 is the resident move date. We are in need of volunteers to assist anytime from 10AM—3PM. You may be asked to help a resident unpack or help keep residents occupied by playing games, sitting outside, etc.

For both dates, you will need to wear a mask and have your covid shot (will need to bring your card if you haven't already).

If you are interested in assisting in any way with the open house or the move, or have questions, please let me know.

Thank you all for your support!
