Happy New Year!

We are so blessed at Rolling Hills with such wonderful community support. This is especially noted during the holiday times. So many donated gifts, money and time to make the holidays bright once again this year. We cannot begin to thank everyone enough. Every resident received many gifts this year and also were treated to carolers, Santa, a Christmas Pageant and so much more.

We also filled their days with shopping, a new pet therapy dog Romeo, singing, going to see Christmas lights, having egg nog, watching Christmas movies and learning fun facts about Christmas and of course New Years.

Here is hoping everyone has a Healthy & Happy New Year!
