

February in pictures

Pauline had fun getting a Beach Party ready for everyone to enjoy!

Music and Vintage valentine day

Referral Staffing staff spent the day playing bingo with us

This month most of our pictures are from the Beach Party that Pauline did for both the nursing home and assisted living communities.

Everyone who came had a blast. They had the opportunity to build a sand castle or creation, watch a live feed from Hawaii beaches, drink a sunset cocktail, take a fun picture and play a few games too. Of course in February we celebrated Valentine's day and received many cards from our community children and schools. One cooler morning we enjoyed hot cocoa, music and coloring mandelas. Music, animals, exercise and more continue to fill our days.
