Willow Lane Picnic fun

Fishing in West Salem

Fishing in West Salem

Brutus continues to visit and wow us with his tricks; bike rides are always fun

We are loving the beautiful weather this past month and the start of October. Since it cooperated, all residents living in every household throughout our community enjoyed an outdoor picnic in the courtyard, complete with many shenanigans including water balloons, squirt guns and fun games that led to lots of laughter. We continue to take out the bike with anyone interested in going for a ride. Those that like to go fishing had fun catching some in West Salem too. Of course we enjoyed singing with entertainers, playing many games, seeing our pet friends, going shopping, having ice cream sundaes in the bistro and dabbled in some artwork.

If you are crafty, or just want to join in the fun, please consider entering a decorated pumpkin in our contest. Pumpkins with the name of the participant need to be in our main courtyard by October 22nd for the judging that occurs on the 24th. Last year was a hit, so we can't wait to see all the creativity decorating our home.

Here is hoping everyone has a spooktacular Halloween!
