

December in Pictures

Enjoyed going to see the Sparta Holiday Lights

Always enjoy live music and who doesn't like getting up to dance!

Christmas means time to bake!

Had fun with some creative artwork

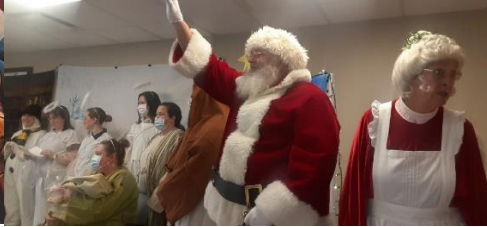

We had lots of visitors and help and gifts this holiday season

We love putting on the Christmas pageant as a gift for our residents

December is such a busy month for everyone, including those living here. Many had the opportunity to dress warm and drive over to see the Sparta Holiday Lights. We enjoyed all our live music, singing along to our favorite Christmas songs, listening to the many Christmas carolers that came to sing in our halls, playing games (bingo, holiday hangman, holiday trivia), working on art projects and even exercising. Some came to see the piglets that came in place of Brutus one afternoon. They were so cute!

We cannot begin to say thank you enough to the many community members that made the holiday season brighter for our residents in our community. The generosity in gifts, volunteering or cash donations to purchase gifts was so wonderful.

We hope you all had a Merry Christmas and wish you all a Happy New year!
