

Photos from August

Pontoon rides on Lake Tomah

Checking out the 4H entries from the recent fair

Music time

Brutus the mini pig is always a hit!

How can August almost be over. We want to continue the Dog Days of Summer! We had fun going to the International Gardens in La Crosse, singing along to many of our entertainers, playing games, doing crafts, checking out the new location of Mary Morrow's Attic, hearing stories with Ted and getting outside as often as we can, even picking some wildflowers on our strolls. We hope all the kids going back to school have a great year. It is never too early to start thinking about some unique pumpkin decorating creations, as in October we will once again have a contest so our courtyard is adorned with pumpkins 😊

Have a great day!

-Linda
