

November 2025 in pictures

Music times

We had fun doing a Friendsgiving meal on Prairie Hills this month.

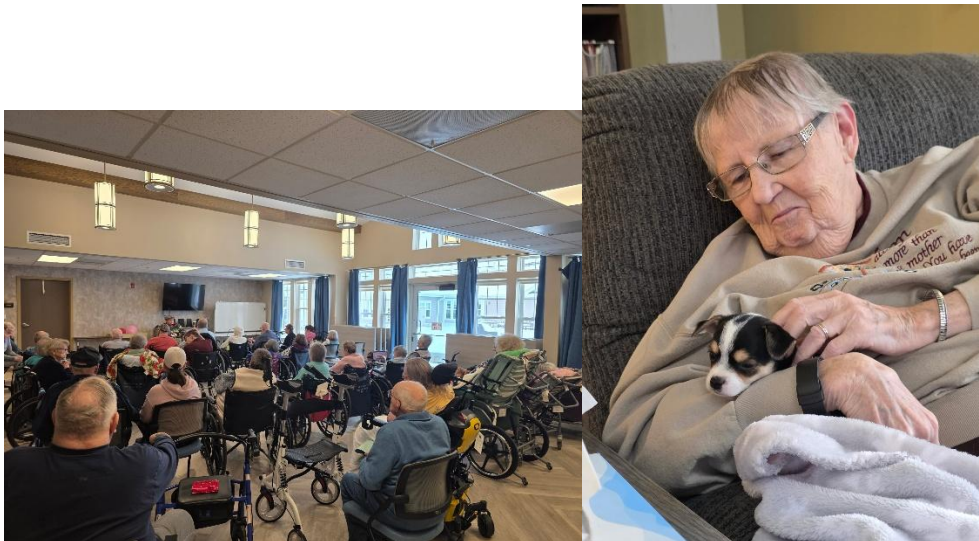

Vets being honored at the VFW and at home

December in Pictures

New music with Jack

Puppies

High school Jazz Choir,

Rick G singing

We are so blessed to have many community members provide holiday gifts

Many were able to go check out the holiday lights in Sparta

Frosty, Rudolph and Santa came to teach Scrooge the meaning of Christmas

Mary, Joseph, Baby, angels, shepherds and wise men also came to remind scrooge of Christmas too

Many thanks to all who made the holidays brighter for residents in this community

November and December have been very busy at our community. The holidays were definitely bright and merry. We have been blessed by so many of our community, families and friends. Thanks so much.

In November we enjoyed recognizing and celebrating our Veteran's, learning about the military during an educational presentation, playing turkey games and even had a Friendsgiving luncheon.

In December, we ventured out to see Christmas lights, laughed and cheered as our elves raced, sang along with all our carolers, reminisced during the Christmas pageant, thanked community members for their visits and gifts and enjoyed many holiday activities.
