

Pictures from March

Music, Stories and fun games!

We don't want to work, we just want to bang on the drums all day!!

The month of March kept us busy. We enjoyed music, shopping, playing games (so much laughter), racing Leprachauns, having a drum circle and had our first monthly Veteran's Group. We are looking forward to Easter, dying eggs and spending time with our families. Mark your calendar now to help support the activity department and bring home some flowers (hanging baskets) and vegetables as well as baked goods from our annual Flower fundraiser sale on May 7th, 8th and 9th.
