

July in Pictures

Meadows Picnic was lots of fun

Prairie Hills had their picnic indoors d/t the high heat, but fun was still had

Another concert in the park on a beautiful night

Monroe county fair

Lots of laughter and fresh air

Fun and Games outside and in

July weather was fantastic for many of our activities. Those that were interested ventured to the county fair, went on bike rides, enjoyed a pontoon ride on lake Tomah, played games in the courtyard and went to a concert in the park.

We loved celebrating America's 250th with citizenship trivia and treats, eating our favorite ice cream novelties when the ice cream truck made its rounds in the halls and singing along to all our favorite songs.

A beautiful day for another 50s picnic

Great weather for more pontoon trips and bike rides
