More Pontoon Rides and outdoor fun!

Waterballoon fun!

Fun at a neighbors cottage on a beautiful day!

This summer we sure have kept busy. Thankfully the weather cooperated for us too for all our outdoor activities. We enjoyed another concert in the park, bike rides, playing outdoor games, had a fantastic time laughing with the water balloon fun in our courtyard, enjoyed time at a friend's cottage, loved the International gardens in La Crosse and took our last rides on the pontoon boat. Of course we kept our usual programs going too like live entertainment, shopping trips, ice cream cart visits, games and so much more. Enjoy the pictures.
