October 2026 recap in photos

From out pumpkin decorating contest

Snapshots of our entertainers

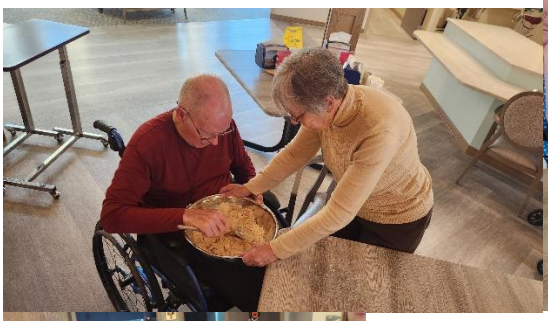

Baking time

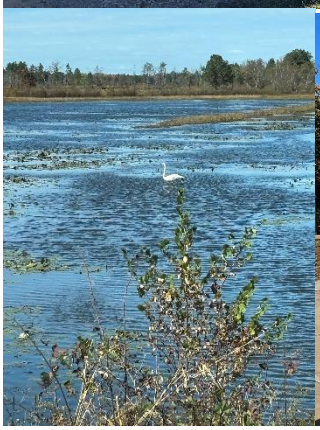

Making holiday crafts

A trip to Necedah National Wildlife Refuge with Prairie Hills

Halloween 2026 Party

Loving pet therapy visits

Another month full of fun, adventures and laughter in our halls.
We played hangman, decorated pumpkins, sang along to music, snuck treats to our furry friends, went for drives, baked, got fresh air on the beautiful days and even got dressed up for Halloween. Our pumpkin contest had some neat entries and staff really got into the spirit of Halloween dressing up for 2 days the week of Halloween. Prairie Hills even ventured to the Necedah national wildlife refuge to check out the Fall colors.
Now we are thinking of all the things we are grateful for and even working on some Christmas crafts. We cannot believe it is already November.
